

Toronto Science Academy

ABOUT US

Toronto Science Academy Education and Consultant is a Canadian based company established in 2018 by educators with North American and overseas experience. Besides education consultancy and tutoring, the company is running an international school called **Toronto Science Academy**

WHAT WE OFFER

Variety of Ontario high school course to their existing school timetable

Complete necessary prerequisites for entry into a college or university

Obtain the **OSSD** in order to pursue post-secondary education anywhere in the world.

Our learning platform provides a flexible alternative to the regular school day. At **TSA**, students will be guided through their personalized learning journey as our dedicated team of educators strive to create an environment where students can thrive and build the necessary skills and foundation for success.

OUR MOTTO

TSA is a G9 to G12 high school, located in Toronto, Canada, offering Ontario Secondary School Diploma (**OSSD**). Our online education option gives opportunities to students from all over the world to obtain Ontario Secondary School Diploma (**OSSD**) that is recognized and accepted by universities and colleges all over the world including Canada, United States, England, Australia, Hong Kong. That's why our motto is **"Worldwide Education."**

OUR CORE VALUES

Multiculturalism

We believe cultural diversity is one of our strengths by provoking innovation and creativity. It helps bring together different perspectives, ideas, and voices of students from different backgrounds and cultures and learn from each other.

Critical Thinking

TSA designed its learning environment to ensure that each student has the opportunity to receive an excellent education and achieve highest potential.

Collaboration

We all are one big team and we work together towards our goals with our friends and classmates. We are aware of the fact that we can achieve more as a team than as individuals.

Equity

TSA designed its learning environment to ensure that each student has the opportunity to receive an excellent education and achieve highest potential.
